This is in response to your request for an extension of time under § 301.9100-1 of the Procedure and Administrative Regulations to file Form 8328 (Carryforward Election of Unused Private Activity Bond Volume Cap) to make a carryforward election under § 146(f) with respect to unused Year 1 volume cap of City.

Facts and Representations

You make the following factual representations. Department administers the system established by State under § 146(e) to allocate State's volume cap. In Year 1, Department allocated private activity volume cap in the amount of \$a to City to carry forward for the purpose of financing solid waste disposal facilities under § 142(a)(6) (the "Projects"). However, due to an administrative delay, the City Board did not authorize filing the Form 8328 for its Year 1 volume cap in the amount of \$a until after the due date to file the Form 8328 for Year 1. City submitted its request for an extension of time to file the Form 8328 in August of Year 2. Before City's request was filed, the IRS had not discovered City's failure to timely file the Form 8328.

PLR-143222-02

Law and Analysis

Section 146(f)(1) provides that if an issuing authority's volume cap for any calendar year after 1985 exceeds the aggregate amount of tax-exempt private activity bonds issued during the calendar year (by the authority), the authority may elect to treat all (or any portion) of the excess as a carryforward for one or more carryforward purposes.

The election is made by filing Form 8328 with the Internal Revenue Service Center, Ogden, UT 84201. Under Notice 89-12, 1989-1 C.B. 633, Form 8328 must be filed by the earlier of (1) February 15 of the calendar year following the year in which the excess amount arises, or (2) the date of issue of bonds issued pursuant to the carryforward election.

The election must identify the purpose for which the carryforward is elected, and specify the amount to be carried forward for that purpose. I.R.C. § 146(f)(2). Carryforward elections (and any identifications or specifications stated therein) are irrevocable. I.R.C. § 146(f)(4).

Section 301.9100-1 of the Procedure and Administrative Regulations provides, in part, that the Commissioner has discretion to grant a reasonable extension of time to make a regulatory election (defined in § 301.9100-1(b) as an election whose due date is prescribed by regulations, or a revenue ruling, revenue procedure, notice, or announcement published in the Internal Revenue Bulletin), or a statutory election (but no more than 6 months except in the case of a taxpayer who is abroad), under all subtitles of the Internal Revenue Code except subtitles E, G, H, and I.

Section 301.9100-3(a) provides that requests for extensions of time for regulatory elections that do not meet the requirements for automatic extensions in § 301.9100-2, must be made under the rules of § 301.9100-3. Requests for relief will be granted if the taxpayer provides evidence establishing to the satisfaction of the Commissioner that the taxpayer acted reasonably and in good faith, and that the grant of relief will not prejudice the interests of the government.

Section 301.9100-3(b)(1) provides, in part, that the taxpayer is deemed to have acted reasonably and in good faith if the taxpayer requested relief under that section before the failure to make the regulatory election is discovered by the IRS.

Section 301.9100-3(c)(1)(i) provides, in part, that the interests of the Government are prejudiced if granting relief would result in a taxpayer having a lower tax liability than the taxpayer would have had if the election had been made timely (taking into account the time value of money).

PLR-143222-02

Conclusion

Under the facts and circumstances of this case, we conclude that City acted reasonably and in good faith, and that granting an extension of time under § 301.9100-1 to file Form 8328 to carryforward \$a of unused volume cap from Year 1 will not prejudice the interests of the government. City is granted an extension of time to 45 days from the date of this letter ruling to file the Form 8328 to carry forward unused Year 1 volume cap in the amount of \$a for the Projects.

The ruling contained in this letter is based upon information and representations submitted by the taxpayer and accompanied by a penalty of perjury statement executed by an appropriate party.
