The Honorable William V. Roth, Jr.
Chairman, Committee on Finance
United States Senate

Dear Mr. Chairman:

As you requested, the following table provides information on staffing trends at the Internal Revenue Service (IRS). This information is updated from our 1993 report, TAX ADMINISTRATION: Trends for Certain IRS Programs (GAO/GGD-93-102FS, May 26, 1993). The original data is from IRS annual reports and budget submissions.

The annual report data show higher staffing levels because that source includes staffing that is funded through reimbursements from other agencies. The budget data does not necessarily include all the staff funded from reimbursements.

Please contact me on (202) 512-8633 if you or your staff have any questions concerning the information.

Sincerely yours,
