▶ Attach to the corporation's tax return.

Name	Employer identification number
------	--------------------------------

**Note:** In most cases, the corporation **does not** need to file Form 2220. (See Part I below for exceptions.) The IRS will figure any penalty owed and bill the corporation. If the corporation does not need to file Form 2220, it may still use it to figure the penalty. Enter the amount from line 34 on the estimated tax penalty line of the corporation's income tax return, but **do not** attach Form 2220.

**Part I Reasons for Filing**—Check the boxes below that apply to the corporation. If any box or the note below applies, the corporation must file Form 2220, even if it does not owe the penalty. If the box on line 1 or line 2 or the waiver applies, the corporation may be able to lower or eliminate the penalty. See page 1 of the instructions.

- 1  The corporation is using the annualized income installment method.
- 2  The corporation is using the adjusted seasonal installment method.
- 3  The corporation is a "large corporation" figuring its first required installment based on the prior year's tax.

**Note:** The corporation must also file Form 2220 if it is claiming a waiver of the penalty. See **Waiver of penalty for corporations claiming the research credit** on page 3 of the instructions.
