

Dear Taxpayer:

In an effort to save the cost of printing and mailing a tax package the corporation may not need, we are sending this postcard instead. If the corporation needs a package, see **How To Get a Tax Package or Other Forms and Instructions** below.

Please give the person who prepares the corporation's return the label on the other side so it can be used on the return. Correct any errors on the label. Make sure the preparer has all the corporation's income and expense records so he or she can fill in the return correctly.
