Use EFTPS—Electronic Federal Tax Payment System

EFTPS is a service offered by the U.S. Department of the Treasury. EFTPS enables tax professionals and taxpayers to make tax payments 24 hours a day, 7 days a week from home or office via the Internet. It reduces the chance of error, enables payments to be made on the business or 15th day of the month or the 15th day of the month, and allows the taxpayer to make payments on the last 15th day of any payment history online or by calling Customer Service. In addition, every EFTPS transaction is recorded in the IRS' e-file system, which makes it easier to track and verify payments.

5 Easy Ways to Use EFTPS:

- EFTPS-Saltch Provider (Requires Registration)**
