The Department of Labor (DOL), the Internal Revenue Service (IRS), and the Pension Benefit Guaranty Corporation (PBGC) are sending you this postcard as a reminder that you may be required to file a Form 5500 or Form 5500-EZ for your employee benefit plan for Plan Year 2003 . . . *and* to provide information on how to easily get the forms you need.

Go Paperless — File Electronically

We are working to make the ERISA Filing Acceptance System (EFAST) a paperless electronic filing system to receive and process Forms 5500 and 5500-EZ. Most of you have taken the first step by using computers to prepare your Form 5500 or 5500-EZ. Now it's time to take the next step and file electronically.

In an effort to save the yearly cost of printing and mailing paper packages of Forms 5500 and 5500-EZ to filers who don't use them, we are replacing the automatic mail-out packages with this postcard. Filers who want to complete the official government-produced paper forms can order the paper forms and instructions by calling **1-800-TAX-FORM** (1-800-829-3676) anytime.

Information on electronic filing options using **EFAST** and other helpful information on filing your Form 5500 or 5500-EZ is available at <http://www.efast.dol.gov>.
