Instructions

Purpose of Form

Use Form 8812 to figure your additional child tax credit. The additional child tax credit may give you a refund even if you do not owe any tax.

Who Should Use Form 8812

First, complete the Child Tax Credit Worksheet that applies to you. See the instructions for Form 1040, line 51, or Form 1040A, line 33. If you meet the condition given in the *TIP* at the end of your Child Tax Credit Worksheet, use Form 8812 to see if you can take the additional child tax credit.

Effect of Credit on Welfare Benefits

Any refund you receive as a result of taking the additional child tax credit will not be used to determine if you are eligible for the following programs, or how much you can receive from them. But if the refund you receive because of the additional child tax credit is not spent within a certain period of time, it may count as an asset (or resource) and affect your eligibility.

- Temporary Assistance for Needy Families (TANF).
- Medicaid and supplemental security income (SSI).
- Food stamps and low-income housing.
