What's New

The population component of the state housing credit ceiling for 2006 is the greater of \$1.90 times the state's population or \$2,190,000.

In addition, the Gulf Opportunity (GO) Zone Act of 2005 made it possible for the states of Alabama, Louisiana, Mississippi, Florida, and Texas to increase their housing credit ceiling. The guidelines for these increases are explained in *Credit ceiling increases due to GO Zone Act of 2005*, under *Purpose of Form*, below.

Purpose of Form

Housing credit agencies use Form 8610 to transmit Forms 8609, Low-Income Housing Credit Allocation and Certification and Schedules A (Form 8610) to the IRS. Form 8610 is also used to report the dollar amount of housing credits allocated during the calendar year. The housing credit agency must not allocate more credits than it is authorized to allocate during the calendar year.

Generally, the state housing credit ceiling for any state is the sum of:

1. The larger of \$2,190,000 or \$1.90 multiplied by the state's population,
2. The amount of state housing credit ceiling returned in 2006 from allocations made prior to 2006,
3. The amount, if any, allocated to the state from the National Pool, plus
4. The unused state housing credit ceiling, if any, for 2005.

See Regulations section 1.42-14 for more information.

Credit ceiling increases due to GO Zone Act of 2005. In the following situations, the housing credit ceiling for certain states will increase.

- For 2006, 2007, and 2008, the housing credit ceiling for the states of Alabama, Louisiana, and Mississippi is increased by the lesser of \$18.00 multiplied by the state's population in the Gulf Opportunity (GO) Zone or the housing credit dollar amount allocated to buildings located in the state's GO Zone. See *Line 5a*, on page 2.

- For 2006, the housing ceiling credit for the states of Florida and Texas is increased by \$3,500,000. See *Line 5b*, on page 3.

See section 1400N(c) for more information.

Who Must File

Any housing credit agency authorized to make an allocation of the credit (even if no credit is actually allocated) on a Form 8609 or carryover allocation reported on a Schedule A (Form 8610) to an owner of a qualified low-income building during the calendar year must complete and file Form 8610. In states with multiple housing credit agencies (including states with constitutional home rule cities), the agencies must coordinate and file one Form 8610.

If a housing credit agency has granted any project relief for carryover allocations discussed in section 5 of Rev. Proc. 95-28, 1995-1 C.B. 704, the agency must attach to Form 8610 a list of the projects for which it has approved relief. The housing credit agency should list only those projects that had received its approval of the carryover allocation relief since the agency last filed Form 8610.

When To File

File the 2006 Form 8610 with accompanying Forms 8609 (with only Part I completed) and Schedules A (Form 8610) by February 28, 2007.

Where To File

File Form 8610 and attached forms and schedules with:

Internal Revenue Service
P.O. Box 331
Attn: LIHC Unit, DP 607 South
Philadelphia Campus
Bensalem, PA 19020

Penalty

The \$100 penalty under section 6652(j) applies to any failure to file Form 8610 when due.

Specific Instructions

Note. The primary housing credit agency may rely on information provided by any constitutional home rule city or local

housing credit agency under Regulations section 1.42-1T(c)(3) or (4).

To ensure that Form 8610 is correctly processed, attach all forms and schedules to Form 8610 in the following order.

1. Forms 8609.
2. Schedules A (Form 8610).
3. Listing of projects approved for carryover allocation relief.

Amended Report

If this is an amended Form 8610, check the "amended report" box. Use the same version of the form that was originally filed (for example, a 2006 Form 8610 to amend the 2006 report, a 2005 Form 8610 to amend the 2005 report, etc.).

Complete only those lines that are being amended by entering the correct information. Attach any additional documentation necessary to explain why an amended Form 8610 is being filed.

Part II

Line 5a

For 2006, 2007, and 2008, an additional housing credit amount is available ONLY to the states of Alabama, Louisiana, and Mississippi. The additional amount is the lesser of the following:

2. \$18.00 multiplied by the state's population in its GO Zone.
When making the calculation described in (2) above, use the following figures for the state's population in its GO Zone.

- Alabama—869,544
- Louisiana—3,153,293
- Mississippi—1,968,283

See Notice 2006-21, 2006-12 I.R.B. 643, for more information, including a list of the counties and parishes in the GO Zone and how the state's population in the GO Zone was determined.
