

Instructions for Form 941-X

Department of the Treasury
Internal Revenue Service

(January 2011)

Adjusted Employer's QUARTERLY Federal Tax Return or Claim for Refund

Section references are to the Internal Revenue Code unless otherwise noted.

What's New

Social security tax rate for 2011. The employee social security tax rate is 4.2% and the employer social security tax rate is 6.2% (10.4% total). Be sure to use the correct rate when correcting amounts reported on lines 8 and 9.

Section 3121(q) Notice and Demand—Tax due on unreported tips. A new line has been added to Form 941 for reporting social security and Medicare taxes on unreported tips. An employer now reports the amount of the taxes shown on the Section 3121(q) Notice and Demand on line 5e of the employer's Form 941 for the calendar quarter in which notice and demand is made. Any errors discovered on previously filed Forms 941 for these taxes are corrected on line 11 of Form 941-X. In addition, any errors relating to Section 3121(q) Notice and Demand amounts reported on line 7c of Form 941 (for quarters ending before January 1, 2011) should be corrected on line 11 of Form 941-X.

Qualified employer's social security tax exemption expired. The qualified employer's exemption for their share (6.2%) of social security tax on wages/tips paid to qualified employees expired on December 31, 2010. Any errors discovered on previously filed Forms 941 (for quarters ending after March 31, 2010, and before January 1, 2011) for this exemption are corrected on lines 12a–12c of Form 941-X.

Advance payment of earned income credit (EIC). The option of receiving advance payroll payments of EIC is no longer available after December 31, 2010. Corrections to advance payroll payments of EIC made before December 31, 2010, can be made on line 18.

Reminders

Adjusting COBRA premium assistance payments.

Employers who make COBRA premium assistance payments for assistance eligible individuals are allowed a credit for the payments on Form 941. Any errors discovered on previously filed Forms 941 for this credit are corrected on Form 941-X. See *COBRA Premium Assistance Payments* on page 9.

Adjusting an aggregate Form 941. Agents must complete Schedule R (Form 941), Allocation Schedule for Aggregate Form 941 Filers, when adjusting an aggregate Form 941. Schedule R (Form 941) is completed only for those clients who have adjustments reported on Form 941-X. Schedule R (Form 941) is filed as an attachment to Form 941-X. Aggregate Forms 941 are filed by agents approved by the IRS under section 3504. To request approval to act as an agent for an employer, the agent files Form 2678, Employer/Payer Appointment of Agent, with the IRS.

General Instructions: Understanding Form 941-X

What Is the Purpose of Form 941-X?

Use Form 941-X to correct errors on a Form 941 that you previously filed. Use Form 941-X to correct:

- Wages, tips, and other compensation;
- Income tax withheld from wages, tips, and other compensation;

- Taxable social security wages;
- Taxable social security tips;
- Taxable Medicare wages and tips;
- Advance earned income credit (EIC) payments made to employees (for quarters ending before January 1, 2011);
- Credits for COBRA premium assistance payments;
- Credit for qualified employer's share of social security tax on wages/tips paid to qualified employees March 19–31, 2010 (second quarter 2010 only); and
- Exemption for qualified employer's share of social security tax on wages/tips paid to qualified employees (for quarters ending after March 31, 2010, and before January 1, 2011).

Use Form 843, Claim for Refund and Request for Abatement, to request a refund or abatement of assessed interest or penalties. **Do not** request abatement of assessed interest or penalties on Form 941 or Form 941-X.

TIP *References to Form 941 on Form 941-X and in these instructions also apply to Form 941-SS, Employer's QUARTERLY Federal Tax Return, unless otherwise noted. We use the terms "correct" and "corrections" on Form 941-X and in these instructions to include interest-free adjustments under sections 6205 and 6413 and claims for refund and abatement under sections 6402, 6414, and 6404. See Rev. Rul. 2009-39 for examples of how the interest-free adjustment and claim for refund rules apply in 10 different situations. You can find Rev. Rul. 2009-39, 2009-52, I.R.B. 951 at www.irs.gov/irb/2009-52_IRB/ar14.html.*

When you discover an error on a previously filed Form 941, you must:

- Correct that error using Form 941-X,
- File a separate Form 941-X for each Form 941 that you are correcting, and
- File Form 941-X separately. Do not file Form 941-X with Form 941.

If you did not file a Form 941 for one or more quarters, **do not** use Form 941-X. Instead, file Form 941 for each of those quarters. See also *When Should You File Form 941-X?* on page 2. However, if you did not file Forms 941 because you improperly treated workers as independent contractors or nonemployees and are now reclassifying them as employees, see the instructions for line 23 on page 10.

Report the correction of underreported and overreported amounts for the same tax period on a single Form 941-X, unless you are requesting a refund or abatement. If you are requesting a refund or abatement and are correcting both underreported and overreported amounts, file one Form 941-X correcting the underreported amounts only and a second Form 941-X correcting the overreported amounts.

You will use the adjustment process if you underreported employment taxes and are making a payment, or if you overreported employment taxes and will be applying the credit to Form 941 for the period during which you file Form 941-X. However, see the *Caution* under *Is There a Deadline for Filing Form 941-X?* on page 2 if you are correcting overreported amounts during the last 90 days of a period of limitations. You will use the claim process if you overreported employment taxes and are requesting a refund or abatement of the overreported amount. Follow the chart on the back of Form 941-X for help in choosing whether to use the adjustment process or the claim process. Be sure to give us a detailed explanation on line 24 for each correction that you show on Form 941-X.

Continue to report current quarter fractions of cents, third-party sick pay, tips, and group-term life insurance on Form 941 using lines 7–9.

You have additional requirements to complete when filing Form 941-X, such as certifying that you filed (or will file) all applicable Forms W-2, Wage and Tax Statements, and Forms W-2c, Corrected Wage and Tax Statements. For corrections of overreported federal income tax, social security tax, or Medicare tax, you must make any certifications that apply to your situation.

Do not use Form 941-X to correct Form CT-1, 943, 944, 944-SS, or 945. Instead, use the "X" form that corresponds to those forms (Form CT-1 X, 943-X, 944-X, or 945-X).

Where Can You Get Help?

For help filing Form 941-X or for questions about federal employment taxes and tax corrections, you can:

- Call the IRS toll-free at 1-800-829-4933 (TTY/TDD for the hearing impaired at 1-800-829-4059),
- Visit the IRS website at www.irs.gov/businesses and click on "Employment Taxes," or
- Get Pub. 15 (Circular E), Employer's Tax Guide, for correcting Form 941, or Pub. 80 (Circular SS), Federal Tax Guide for Employers in the U.S. Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands, for correcting Form 941-SS.

See also *How Can You Order Forms and Publications from the IRS?* on page 11.

When Should You File Form 941-X?

File Form 941-X when you discover an error on a previously filed Form 941.

However, if your only errors on Form 941 relate to the number of employees who received wages or to federal tax liabilities reported in Part 2 of Form 941 or on Schedule B (Form 941), do not file Form 941-X. For more information about correcting federal tax liabilities reported in Part 2 of Form 941 or on Schedule B (Form 941), see the Instructions for Schedule B (Form 941).

Due dates. The due date for filing Form 941-X depends on when you discover an error and if you underreported or overreported tax. If you underreported tax, see *Underreported tax* below. For overreported amounts, you may choose to either make an interest-free adjustment or file a claim for refund or abatement. If you are correcting overreported amounts, see *Overreported tax—credit* or *Overreported tax—claim* below.

If any due date falls on a Saturday, Sunday, or legal holiday, you may file Form 941-X on the next business day. If we receive Form 941-X after the due date, we will treat Form 941-X as filed on time if the envelope containing Form 941-X is properly addressed, contains sufficient postage, and is postmarked by the U.S. Postal Service on or before the due date, or sent by an IRS-designated private delivery service on or before the due date. If you do not follow these guidelines, we will consider Form 941-X filed when it is actually received. See Pub. 15 (Circular E) or Pub. 80 (Circular SS) for more information on IRS-designated private delivery services.

Underreported tax. If you are correcting underreported tax, you must file Form 941-X by the due date of the return for the return period in which you discovered the error and **pay** the amount you owe by the time you file. Doing so will generally ensure that your correction is interest free and not subject to failure-to-pay or failure-to-deposit penalties. See *What About Penalties and Interest?* on page 3. For details on how to make a payment, see the instructions for lines 20–21 on page 9.

If Form 941-X is filed late (after the due date of the return for the return period in which you discovered the error), you must attach an amended Schedule B (Form 941) to Form 941-X. Otherwise, the IRS may assess an "averaged" failure-to-deposit

penalty. The total tax reported on the "Total liability for the quarter" line of Schedule B (Form 941) must match the corrected tax (line 10 of Form 941 combined with any correction reported on line 21 of Form 941-X) for the quarter, less any previous interest-free tax assessments.

If you discover an error in	Form 941-X is due . . .
1. January, February, March	April 30
2. April, May, June	July 31
3. July, August, September	October 31
4. October, November, December	January 31

The dates shown in the table above apply only to corrections of underreported amounts. If any due date falls on a Saturday, Sunday, or legal holiday, you may file Form 941-X on the next business day.

Example—You owe tax: On February 11, 2011, you discover that you underreported \$10,000 of social security and Medicare wages on your 2010 fourth quarter Form 941. File Form 941-X and pay the amount you owe by April 30, 2011, because you discovered the error in the first quarter of 2011, and April 30, 2011, is the due date for that quarter. If you file Form 941-X before April 30, pay the amount you owe when you file.

Overreported tax—credit. If you overreported tax on Form 941 and choose to apply the credit to Form 941 or Form 944, file Form 941-X soon after you discovered the error but more than 90 days before the period of limitations on the credit or refund for Form 941 expires. See *Is There a Deadline for Filing Form 941-X?* below.

Overreported tax—claim. If you overreported tax on Form 941, you may choose to file a claim for refund or abatement on Form 941-X any time before the period of limitations on credit or refund expires on Form 941. If you need to correct **any** underreported amounts, you must file another Form 941-X reporting only corrections to the underreported amounts. See *Is There a Deadline for Filing Form 941-X?* below.

If you discovered an error on or before December 31, 2008, but did not report it as a line adjustment on Form 941 for any quarter that ended before 2009 and did not file a claim (Form 843), you may use Form 941-X to correct the error. File Form 941-X for the quarter in which you made the error.

Is There a Deadline for Filing Form 941-X?

Generally, you may correct overreported taxes on a previously filed Form 941 if you file Form 941-X within 3 years of the date Form 941 was filed or 2 years from the date you paid the tax reported on Form 941, whichever is later. You may correct underreported taxes on a previously filed Form 941 if you file Form 941-X within 3 years of the date the Form 941 was filed. We call each of these time frames a "period of limitations." For purposes of the period of limitations, Forms 941 for a calendar year are considered filed on April 15 of the succeeding year if filed before that date.

Example: You filed your 2009 fourth quarter Form 941 on January 27, 2010, and payments were timely made. The IRS treats the return as if it were filed on April 15, 2010. On January 20, 2013, you discover that you overreported social security and Medicare wages on that form by \$350. To correct the error you must file Form 941-X by April 15, 2013, which is the end of the period of limitations for Form 941, and use the claim process.

If you file Form 941-X to correct overreported amounts in the last 90 days of a period of limitations (after January 15, 2013, in the example above), you must use the claim process. You cannot use the adjustment process. If you are also correcting underreported amounts, you must file

another Form 941-X to correct the underreported amounts using the adjustment process and pay any tax due.

How Should You Complete Form 941-X?

Use a Separate Form 941-X for Each Quarter You Are Correcting

Use a separate Form 941-X for each Form 941 that you are correcting. For example, if you found errors on your Forms 941 for the third and fourth quarters of 2010, file one Form 941-X to correct the 2010 third quarter Form 941. File a second Form 941-X to correct the 2010 fourth quarter Form 941.

EIN, Name, and Address

Enter your EIN, name, and address in the spaces provided. Also enter your name and EIN on the top of pages 2 and 3, and on any attachments. If your address has changed since you filed your Form 941, enter the corrected information and the IRS will update your address of record.

Return You Are Correcting

In the box at the top of page 1 of Form 941-X, check the type of return (Form 941 or Form 941-SS) you are correcting. Check the appropriate box for the **one** quarter you are correcting. Enter the calendar year of the Form 941 you are correcting. Enter the quarter and calendar year on pages 2 and 3, and on any attachments.

Enter the Date You Discovered Errors

You **must** enter the date you discovered errors. If you are reporting several errors that you discovered at different times, enter the earliest date you discovered them here. You discover an error when you have enough information to be able to correct it. Report any subsequent dates and related errors on line 24.

Must You Make an Entry on Each Line?

You must provide all of the information requested at the top of page 1 of Form 941-X. You must check one box (but not both) in Part 1. You must check the box on line 3 and any applicable boxes on lines 4 and 5. In Part 3, if any line does not apply, leave it blank. Complete Parts 4 and 5 as instructed.

How Should You Report Negative Amounts?

Form 941-X uses negative numbers to show reductions in tax (credits) and positive numbers to show additional tax (amounts you owe).

When reporting a negative amount in columns 3 and 4, use a minus sign instead of parentheses. For example, enter “-10.59” instead of “(10.59).” However, if you are completing the return on your computer and your software only allows you to use parentheses to report negative amounts, you may use them.

How Should You Make Entries on Form 941-X?

You can help the IRS process Form 941-X timely and accurately if you follow these guidelines.

- Type or print your entries.
- Use Courier font (if possible) for all typed or computer-generated entries.
- Omit dollar signs. You may use commas and decimal points, if desired. Enter dollar amounts to the left of any preprinted decimal point and cents to the right of it.
- Always show an amount for cents. Do not round entries to whole dollars.
- Complete all three pages and sign Form 941-X on page 3.
- Staple multiple sheets in the upper-left corner.

What About Penalties and Interest?

Generally, your correction of an underreported amount will not be subject to a failure-to-pay penalty, failure-to-deposit penalty, or interest if you:

- File on time (by the due date of the quarter in which you discover the error),
- Pay the amount shown on line 21 **by the time you file** Form 941-X,
- Enter the date you discovered the error, and
- Explain in detail the grounds and facts relied on to support the correction.

No correction will be eligible for interest-free treatment if any of the following apply.

- The amounts underreported relate to an issue that was raised in an examination of a prior period.
- You knowingly underreported your employment tax liability.
- You received a notice and demand for payment.
- You received a Notice of Determination of Worker Classification.

Overview of the Process

The process to correct a previously filed Form 941 or file a claim is outlined below.

If you underreported the tax. If you underreported the tax on a previously filed Form 941, check the box on line 1 and **pay** any additional amount you owe by the time you file Form 941-X. For details on how to make a payment, see the instructions for lines 20–21 on page 9.

Example—You underreported employment taxes: On June 20, 2011, you discover an error that results in additional tax on your 2010 fourth quarter Form 941. File Form 941-X by July 31, 2011, and pay the amount you owe by the time you file. See *When Should You File Form 941-X?* on page 2. **Do not** attach Form 941-X to your 2011 second quarter Form 941.

If you overreported the tax. If you overreported the tax on a previously filed Form 941, you may **choose** one of the following options.

- *Use the adjustment process.* Check the box on line 1 to apply any credit (negative amount) from line 21 to Form 941 for the quarter during which you file Form 941-X.

- Use the claim process. Check the box on line 2 to file a claim on Form 941-X requesting a refund or abatement of the amount shown on line 21.

To ensure that the IRS has enough time to process a credit for an **overreporting adjustment** in the quarter during which you file Form 941-X, you are encouraged to file Form 941-X correcting the overreported amount in the first two months of a quarter. For example, if you discover an overreported amount in March, June, September, or December, you may want to file Form 941-X in the first two months of the next quarter. However, there must be 90 days remaining on the period of limitations when you file Form 941-X. See the Caution under Is There a Deadline for Filing Form 941-X? on page 2. This should ensure that the IRS will have enough time to process Form 941-X so the credit will be posted before you file Form 941, thus avoiding an erroneous balance due notice from the IRS. See the example below.

If you currently file Form 944 instead of Form 941 and will claim a credit on Form 944, file Form 941-X before December in any year before the expiration of the period of limitations on Form 941. In the year of the expiration of the period of limitations on Form 941, file Form 941-X at least 90 days before the expiration date.

Example—You want your overreported tax applied as a credit to Form 941: On June 22, 2011, you discover you overreported your tax on your 2010 fourth quarter Form 941 and want to choose the adjustment process. To allow the IRS enough time to process the credit, you file Form 941-X on July 1, 2011 and take the credit on your third quarter 2011 Form 941.

Specific Instructions:

Part 1: Select ONLY one process

Because Form 941-X may be used to file either an adjusted employment tax return or a claim for refund or abatement, you **must** check one box on either line 1 or line 2. Do not check both boxes.

1. Adjusted Employment Tax Return

Check the box on line 1 if you are correcting underreported amounts or overreported amounts and you would like to use the adjustment process to correct the errors.

If you are correcting both underreported amounts and overreported amounts on this form, you **must** check this box. If you check this box, any negative amount shown on line 21 will be applied as a credit (tax deposit) to your Form 941 or Form 944 for the period in which you are filing this form. See *Example—You want your overreported tax applied as a credit to Form 941* above.

If you owe tax. Pay the amount shown on line 21 by the time you file Form 941-X. Generally, you will not be charged interest if you file on time, pay on time, enter the date you discovered the error, and explain the correction on line 24.

If you have a credit. You overreported employment taxes (you have a negative amount on line 21) and want the IRS to apply the credit to Form 941 or Form 944 for the period during which you filed Form 941-X. The IRS will apply your credit on the first day of the Form 941 or Form 944 period during which you filed Form 941-X. However, the credit you show on line 21 of Form 941-X may not be fully available on your Form 941 or Form 944 if the IRS corrects it during processing or you owe other taxes, penalties, or interest. The IRS will notify you if your claimed credit changes or if the amount available as a credit on Form 941 or Form 944 was reduced because of unpaid taxes, penalties, or interest.

Do not check the box on line 1 if you are correcting overreported amounts and the period of limitations on credit or refund for Form 941 will expire within 90 days of the date you file Form 941-X. Instead, check the box on line 2. See Is There a Deadline for Filing Form 941-X? on page 2.

2. Claim

Check the box on line 2 to use the claim process if you are correcting **overreported amounts only** and you are claiming a refund or abatement for the negative amount (credit) shown on line 21. Do not check this box if you are correcting ANY underreported amounts on this form.

You must check the box on line 2 if you have a credit and the period of limitations on credit or refund for Form 941 will expire within 90 days of the date you file Form 941-X. See *Is There a Deadline for Filing Form 941-X?* on page 2.

The IRS usually processes claims shortly after they are filed. The IRS will notify you if your claim is denied, accepted as filed, or selected to be examined. See Pub. 556, Examination of Returns, Appeal Rights, and Claims for Refund, for more information.

Unless the IRS corrects Form 941-X during processing or you owe other taxes, penalties, or interest, the IRS will refund the amount shown on line 21, plus any interest that applies.

Part 2: Complete the Certifications

You must complete all certifications that apply by checking the appropriate boxes. If all of your corrections relate to underreported amounts, complete line 3 only; skip lines 4 and 5 and go to Part 3. If your corrections relate to overreported amounts, you have a duty to ensure that your employees' rights to recover overpaid employee social security and Medicare taxes that you withheld are protected. The certifications on lines 4 and 5 address the requirement to:

- Repay or reimburse your employees for the overcollection of employee social security and Medicare taxes, or
- Obtain consents from your employees to file a claim on their behalf.

3. Filing Forms W-2 or Forms W-2c

Check the box on line 3 to certify that you filed or will file Forms W-2 or Forms W-2c, as required, showing your employees' correct wage and tax amounts. See the Instructions for Forms W-2 and W-3 and the Instructions for Forms W-2c and W-3c for detailed information about filing requirements. References to Form W-2 on Form 941-X and in these instructions also apply to Forms W-2AS, W-2CM, W-2GU, and W-2VI unless otherwise noted.

You must check the box on line 3 to certify that you filed Forms W-2 or Forms W-2c even if your corrections on Form 941-X do not change amounts shown on those forms. For example, if your only correction to Form 941 involves misstated tax adjustments (see the instructions for line 13 on page 8), check the box on line 3 to certify that you already filed all required Forms W-2 and W-2c.

4. Certifying Overreporting Adjustments

If you overreported federal income tax, social security tax, or Medicare tax and checked the box on line 1, check the appropriate box on line 4. You may need to check more than one box. If you obtained written statements from some employees but you could not locate or secure the cooperation of the remaining employees, check all applicable boxes. Provide a summary on line 24 of the amount of the corrections both for the employees who provided written statements and for those who did not.

4a. Check the box on line 4a if your overreported amount includes each affected employee's share of overcollected taxes. You are certifying that you repaid or reimbursed the employee's share of current and prior year taxes and you received written statements from the employees stating that they did not and will not receive a refund or credit for the prior year taxes. You are

certifying that you adjusted federal income tax withheld from employees for the current calendar year only.

Example. The following is an example of the written statement that is required from employees.

Employee name _____
Employer name _____
I have received a repayment of \$ _____ as
overcollected social security and Medicare taxes for 20 _____. I
have not claimed a refund of or credit for the overcollected
taxes from the IRS, or if I did, that claim has been rejected;
and I will not claim a refund or a credit of the amount.
Employee signature _____
Date _____

Do not send these statements to the IRS. Keep them for your records.

4b. Check the box on line 4b to certify that your overreported amount is only for the employer share of taxes on those employees who you were unable to find or those who would not (or could not) give you a statement described on line 4a.

4c. Check the box on line 4c to certify that your overreported amount is only for federal income tax, social security tax, and Medicare tax that you did not withhold from your employees.

5. Certifying Claims

If you are filing a claim for refund or abatement of overreported federal income tax, social security tax, or Medicare tax and checked the box on line 2, check the appropriate box on line 5. You may need to check more than one box. If you obtained written statements or consents from some employees but you could not locate or secure the cooperation of the remaining employees, check all applicable boxes. Provide a summary on line 24 of the amount of the corrections for both the employees who provided statements or consents and for those who did not. You may not file a refund claim to correct federal income tax actually withheld from employees.

5a. Check the box on line 5a if your overreported tax includes each affected employee's share of social security and Medicare taxes. You are certifying that you repaid or reimbursed to the employees their share of social security and Medicare taxes. For refunds of employee social security and Medicare taxes overcollected in prior years, you are certifying that you received written statements from those employees stating that they did not and will not receive a refund or credit for the prior year taxes.

5b. Check the box on line 5b if your overreported tax includes each affected employee's share of social security and Medicare taxes and you have not yet repaid or reimbursed the employee share of taxes. You are certifying that you received consent from each affected employee to file a claim on the employee share of those taxes and you received written statements from those employees stating that they did not and will not receive a refund or credit for the prior year taxes.

Example. The following is an example of the consent and written statement that is required from employees when you are filing a claim for refund and have not yet paid or reimbursed the employee share of taxes.

Employee name _____
Employer name _____
I give my consent to have my employer (named above) file a
claim on my behalf with the IRS requesting \$ _____ in
overcollected social security and Medicare taxes for 20 _____. I
have not claimed a refund of or credit for the overcollected
taxes from the IRS, or if I did, that claim has been rejected;
and I will not claim a refund or a credit of the amount.
Employee signature _____
Date _____

Do not send these statements to the IRS. Keep them for your records.

In certain situations, you may not have repaid or reimbursed your employees or obtained their consents prior to filing a claim,

such as in cases where the period of limitations on credit or refund is about to expire. In those situations, file Form 941-X, but do not check a box on line 5. Tell us on line 24 that you have not repaid or reimbursed employees or obtained consents. However, you must certify that you have repaid or reimbursed your employees or obtained consents before the IRS can grant the claim.

5c. Check the box on line 5c to certify that your overreported tax is only for the employer share of social security and Medicare taxes. Affected employees did not give you consent to file a claim for refund for the employee share of social security and Medicare taxes, they could not be found, or would not (or could not) give you a statement described on line 5b.

5d. Check the box on line 5d to certify that your overreported amount is only for federal income tax, social security tax, and Medicare tax that you did not withhold from your employees.

Part 3: Enter the Corrections for This Quarter

What Amounts Should You Report in Part 3?

In columns 1 and 2 of lines 6–10, show amounts for **all** of your employees, not just for those employees whose amounts you are correcting.

If a correction that you report in column 4 includes both underreported and overreported amounts (see the instructions for lines 20–21 on page 9), give us details for each error on line 24.

Because special circumstances apply for lines 11–16 and 18–19d, read the instructions for each line carefully before entering amounts in the columns.

If you previously adjusted or amended Form 941 by using Form 941c, Form 941-X, Form 843, an "amended" Form 941, a "supplemental" Form 941, or because of an IRS examination change, show amounts in column 2 that include those previously reported corrections.

6. Wages, Tips, and Other Compensation

If you are correcting the wages, tips, and other compensation you reported on line 2 of Form 941, enter the total corrected amount for ALL employees in column 1. In column 2, enter the amount you originally reported. In column 3, enter the difference between columns 1 and 2. This line does not apply to Form 941-SS.

If you or the IRS previously corrected the amount reported on line 2 of Form 941, enter in column 2 the amount after any previous corrections.

line 6 (column 1)	
- line 6 (column 2)	
line 6 (column 3)	If the amount in column 2 is larger than the amount in column 1, use a minus sign in column 3.

Example — Wages, tips, and other compensation increased:

You reported \$9,000 as total wages, tips, and other compensation on line 2 of your 2009 third quarter Form 941. In July of 2010, you discovered that you had overlooked \$1,000 in tips for one of your part-time employees. To correct the error, figure the difference on Form 941-X as shown.

Column 1 (corrected amount)	10,000.00
Column 2 (from line 2, of Form 941)	- 9,000.00
Column 3 (difference)	-1,000.00

Example — Wages, tips, and other compensation decreased:

You reported \$9,000 as wages, tips, and other compensation on line 2 of your 2009 fourth quarter Form 941. In December of 2010, you discovered that you included \$2,000 in wages for one of your employees twice. To correct the error, figure the difference on Form 941-X as shown.

Column 1 (corrected amount)	7,000.00
Column 2 (from line 2, of Form 941)	- 9,000.00
Column 3 (difference)	-2,000.00

Example—Auto allowance; wages, tips, and other compensation increased: You paid one of your employees a \$500 monthly auto allowance from October through December 2010 and did not treat the payments as taxable wages. In February 2011, you realized that the payments were wages because they were not reimbursements of deductible business expenses that were substantiated and paid under an accountable plan. You correct the error by treating the auto allowance as wages subject to income, social security, and Medicare taxes. Report the additional \$1,500 of wages on lines 6, 8, and 10.

TIP Use the amount in column 1 on line 6 when you prepare your Forms W-2 or Forms W-2c.

7. Income Tax Withheld from Wages, Tips, and Other Compensation

If you are correcting the federal income tax withheld from wages, tips, and other compensation you reported on line 3 of Form 941, enter the total corrected amount in column 1. In column 2, enter the amount you originally reported or as previously corrected. In column 3, enter the difference between columns 1 and 2. This line does not apply to Form 941-SS.

line 7 (column 1)	
- line 7 (column 2)	
line 7 (column 3)	If the amount in column 2 is larger than the amount in column 1, use a minus sign in column 3.

Copy the amount in column 3 to column 4. Include any minus sign shown in column 3.

CAUTION Generally, you may correct federal income tax withholding errors **only** if you discovered the errors in the same calendar year you paid the wages. However, you may correct federal income tax withholding errors for prior years if the amounts shown on Form 941 do not agree with the amounts you actually withheld, that is, an administrative error or if section 3509 rates apply. See section 13 of Pub. 15 (Circular E) for more information about corrections during the calendar year and about administrative errors. See section 2 of Pub. 15 (Circular E) for more information about section 3509.

Example—Failure to withhold income tax when required: You were required to withhold \$400 of federal income tax from an employee's bonus that was paid in December of 2010 but you withheld nothing. You discovered the error on March 15, 2011. You cannot file Form 941-X to correct your 2010 fourth quarter Form 941 because the error involves a previous year and the amount previously reported for the employee represents the actual amount withheld from the employee during 2010.

Example—Administrative error reporting income tax: You had three employees. In the fourth quarter of 2010, you withheld \$1,000 of federal income tax from employee A, \$2,000 from employee B, and \$6,000 from employee C. The total amount of federal income tax you withheld was \$9,000. You mistakenly reported \$6,000 on line 3 of your 2010 fourth quarter Form 941. You discovered the error on March 16, 2011. This is an example of an administrative error that may be corrected in a later calendar year because the amount actually withheld from employees' wages differs from the amount reported on Form 941. Use Form 941-X to correct the error. Enter \$9,000 in column 1 and \$6,000 in column 2. Subtract the amount in column 2 from the amount in column 1.

Column 1 (corrected amount)	9,000.00
Column 2 (from line 3, of Form 941)	- 6,000.00
Column 3 (difference)	3,000.00

Report the 3,000.00 as a tax correction in column 4.

Be sure to explain the reasons for this correction on line 24.

8. Taxable Social Security Wages

The 2011 employee tax rate for social security is 4.2%.
The employer tax rate for social security is 6.2%.

If you are correcting the taxable social security wages you reported on line 5a, column 1 of Form 941, enter the total corrected amount in column 1. In column 2, enter the amount you originally reported or as previously corrected. In column 3, enter the difference between columns 1 and 2.

line 8 (column 1)	
- line 8 (column 2)	
line 8 (column 3)	If the amount in column 2 is larger than the amount in column 1, use a minus sign in column 3.

Multiply the amount in column 3 by .124 (.104 for corrections to a 2011 return) and enter that result in column 4.

line 8 (column 3)	
x .124	(Use .104 for corrections to a 2011 return.)
line 8 (column 4)	If the amount in column 3 used a minus sign, also use a minus sign in column 4.

Note. If you are correcting only the employer share of tax on a decrease to social security wages, use .062 (6.2%) when multiplying the amount shown in column 3. If you are correcting both shares of tax for some employees and only the employer share for other employees, enter the properly calculated amount in column 4. Be sure to show your calculations on line 24.

Example—Social security wages decreased: Following *Example—Wages, tips and other compensation decreased* in the instructions for line 6, the wages that you counted twice were also taxable social security wages. To correct the error, figure the difference on Form 941-X as shown.

Column 1 (corrected amount)	7,000.00
Column 2 (from line 5a, column 1 of Form 941)	- 9,000.00
Column 3 (difference)	-2,000.00

Use the difference in column 3 to determine your tax correction.

Column 3 (difference)	-2,000.00
Tax rate (12.4%)	x .124
Column 4 (tax correction)	-248.00

Be sure to explain the reasons for this correction on line 24.

Note. If the example above was for a correction to a 2011 return, the amount in column 3 would be multiplied by .104.

9. Taxable Social Security Tips

The 2011 employee tax rate for social security is 4.2%.
The employer tax rate for social security is 6.2%.

If you are correcting the taxable social security tips you reported on line 5b, column 1 of Form 941, enter the total corrected amount in column 1. In column 2, enter the amount you originally reported or as previously corrected. In column 3, enter the difference between columns 1 and 2.

line 9 (column 1)	
- line 9 (column 2)	
line 9 (column 3)	If the amount in column 2 is larger than the amount in column 1, use a minus sign in column 3.

Multiply the amount in column 3 by .124 (.104 for corrections to a 2011 return) and report that result in column 4.

line 9 (column 3)	
x .124	(Use .104 for corrections to a 2011 return.)
line 9 (column 4)	If the amount in column 3 used a minus sign, also use a minus sign in column 4.

Note. If you are correcting only the employer share of tax on a decrease to social security tips, use .062 (6.2%) when multiplying the amount shown in column 3. If you are correcting both shares of tax for some employees and only the employer share for other employees, report the properly calculated amount in column 4. Be sure to show your calculations on line 24.

Following the *Example—Wages, tips, and other compensation increased* in the instructions for line 6, the tips that you overlooked were also taxable social security tips. To correct the error, figure the difference on Form 941-X as shown.

Column 1 (corrected amount)	10,000.00
Column 2 (from line 5b, column 1 of Form 941)	- 9,000.00
Column 3 (difference)	1,000.00

Use the difference in column 3 to determine your tax correction.

Column 3 (difference)	1,000.00
Tax rate (12.4%)	x .124
Column 4 (tax correction)	124.00

Be sure to explain the reasons for this correction on line 24.

Note. If the example above was for a correction to a 2011 return, the amount in column 3 would be multiplied by .104.

10. Taxable Medicare Wages and Tips

If you are correcting the taxable Medicare wages and tips you reported on line 5c, column 1 of Form 941, enter the total corrected amount in column 1. In column 2, enter the amount you originally reported or as previously corrected. In column 3, enter the difference between columns 1 and 2.

line 10 (column 1)	
- line 10 (column 2)	
line 10 (column 3)	

If the amount in column 2 is larger than the amount in column 1, use a minus sign in column 3.

Multiply the amount in column 3 by .029 (2.9% tax rate) and enter that result in column 4.

line 10 (column 3)	
x .029	
line 10 (column 4)	

If the amount in column 3 used a minus sign, also use a minus sign in column 4.

Note. If you are correcting only the employer share of tax on a decrease to Medicare wages and tips, use .0145 (1.45%) when multiplying the amount in column 3. If you are correcting both shares of tax for some employees and only the employer share for other employees, enter the properly calculated amount in column 4. Be sure to explain your calculations on line 24.

Example—Medicare wages and tips decreased:

Following *Example—Wages, tips and other compensation decreased* in the instructions for line 6, the wages that you counted twice were also taxable Medicare wages and tips. To correct the error, figure the difference on Form 941-X as shown.

Column 1 (corrected amount)	7,000.00
Column 2 (from line 5c, column 1 of Form 941)	- 9,000.00
Column 3 (difference)	-2,000.00

Use the difference in column 3 to determine your tax correction.

Column 3 (difference)	-2,000.00
Tax rate (2.9%)	x .029
Column 4 (tax correction)	-58.00

Be sure to explain the reasons for this correction on line 24.

11. Section 3121(q) Notice and Demand—Tax on Unreported Tips

Enter any corrections, including amounts reported on line 7c (for quarters ending before 2011) and amounts reported on line 5e (for quarters ending after 2010), to the tax due from a Section 3121(q) Notice and Demand on line 11. The IRS issues

a Section 3121(q) Notice and Demand to advise an employer of the amount of tips received by employees who failed to report or underreported tips to the employer. An employer is not liable for the employer share of the social security and Medicare taxes on unreported tips until a Section 3121(q) Notice and Demand for the taxes is made to the employer by the IRS.

Lines 12a–12c apply only for corrections to quarters ending after March 31, 2010, and before January 1, 2011.

12. Employer's Social Security Tax Exemption

Complete lines 12a–12c to correct the payroll tax exemption for the employer's share (6.2%) of social security tax on exempt wages/tips paid to one or more qualified employees.

An employer must be a qualified employer to qualify for the employer's social security tax exemption. A **qualified employer** is any employer other than Federal, State, and any related government entities. All public institutions of higher education and Indian tribal governments are also qualified employers.

For more information regarding the employer's social security tax exemption visit IRS.gov and enter the keywords *HIRE Act* in the search box.

12a. Number of qualified employees first paid exempt wages/tips this quarter. Enter on line 12a (column 2) the number of qualified employees originally reported on line 6a of the previously filed Form 941. If you are not correcting line 6a of the previously filed Form 941 and are making a correction on line 12b, enter the amount from line 6a of the previously filed Form 941 on line 12a.

A **qualified employee** is an employee who:

- Begins employment with you after February 3, 2010, and before January 1, 2011;
- Certifies by signed affidavit (Form W-11, Hiring Incentives to Restore Employment (HIRE) Act Employee Affidavit, or similar statement) under penalties of perjury that he or she has not been employed for more than 40 hours during the 60-day period (including 2009) ending on the date the employee begins employment with you;
- Is not employed by you to replace another employee unless the other employee separated from employment voluntarily or for cause (including downsizing); and
- Is not related to you. An employee is related to you if he or she is your child or a descendant of your child, your sibling or stepsibling, your parent or ancestor of your parent, your stepparent, your niece or nephew, your aunt or uncle, or your in-law. An employee is also related to you if he or she is related to anyone who owns more than 50% of your outstanding stock or capital and profits interest or is your dependent or a dependent of anyone who owns more than 50% of your outstanding stock or capital and profits interest. If you are an estate or trust, see section 51(i)(1) and section 152(d)(2) for more details.

Exempt wages/tips are the wages/tips paid to qualified employees for which the employer is exempt from paying the employer's 6.2% share of social security tax.

If you make a correction on line 12a, then you must complete line 12b.

12b. Number of qualified employees paid exempt wages/tips this quarter. Enter on line 12b (column 1) the total corrected number of qualified employees paid exempt wages/tips to which you applied the social security tax exemption in the quarter you are correcting. Enter on line 12b (column 2) the total number of qualified employees originally reported on line 6b of the previously filed Form 941. If you are not correcting line 6b of the previously filed Form 941 and are making a correction on line 12a, enter on line 12b the amount from line 6b of the previously filed Form 941. See the instructions for line 12a for definitions of qualified employee and exempt wages/tips.

If you make a correction on line 12b, then you must complete line 12a.

12c. Exempt wages/tips paid to qualified employees this quarter. Enter the amount of exempt wages/tips paid in the quarter you are correcting to all qualified employees. Enter the corrected amount from line 6c of the previously filed Form 941. Enter the corrected amount in column 1. In column 2, enter the amount you originally reported or as previously corrected. In column 3, enter the difference between columns 1 and 2. If the amount in column 2 is larger than the amount in column 1, use a minus sign in column 3. Multiply the amount in column 3 by .062 and enter the result in column 4. However, to properly show the correction as a credit or balance due item, enter a positive number in column 3 as a negative number in column 4 or a negative number in column 3 as a positive number in column 4. See the instructions for line 12a for definitions of qualified and exempt wages/tips.

13. Tax Adjustments

Use line 13 to correct any adjustments reported on lines 7–9 (lines 7a–7c for quarters ending before 2011) of Form 941. Enter in column 1 the total **corrected** amount for lines 7–9 (lines 7a–7c for quarters ending before 2011) of Form 941.

Enter in column 2 the total originally reported or previously corrected amounts from lines 7–9 (lines 7a–7c for quarters ending before 2011) of Form 941. In column 3, enter the difference between columns 1 and 2.

line 13 (column 1)
-line 13 (column 2)
line 13 (column 3)

TIP You may need to report negative numbers in any column. Make sure that the difference you enter in column 3 accurately represents the change to adjustments originally reported or previously corrected on lines 7–9 (lines 7a–7c for quarters ending before 2011) of Form 941.

Copy the amount in column 3 to column 4. Include any minus sign shown in column 3.

On line 24, describe what you misreported on Form 941. Tell us if your adjustment is for fractions of cents, third-party sick pay, tips, or group-term life insurance.

Example—Current quarter's third-party sick pay underreported: You reported \$6,900 (shown as “-6,900.00”) as a third-party sick pay adjustment (reduction to tax) on line 7b of your 2010 second quarter Form 941. You did not report any amounts on lines 7a and 7c. Your third-party sick pay adjustment should have been \$9,600 (shown as “-9,600.00”) because your third-party sick pay payer withheld that amount of social security and Medicare taxes from your employees. You discovered the error in April of 2011. To correct the error, figure the difference on Form 941-X as shown.

Column 1 (corrected amount)	-9,600.00
Column 2 (from line 7b of Form 941)	- (6,900.00)
Column 3 (difference)	-2,700.00

Here is how you would enter the numbers on Form 941-X.

Column 1 (corrected amount)	Column 2 (from line 7b of Form 941)	Column 3 (difference)
-9,600.00	-6,900.00	-2,700.00

Report “-2,700.00” as your correction in column 4.

In this example, you are claiming a credit for \$2,700 in overreported tax for your 2010 second quarter Form 941. Always enter the same amount in column 4 (including any minus sign) that you enter in column 3.

Be sure to explain the reasons for this correction on line 24.

Note. If the example above was for a correction to a 2011 return, the references to line 7b change to line 8.

CAUTION Do not use line 13 to report corrections to amounts reported on lines 7d–7g of pre-2009 Forms 941.

14–16. Special Additions to Wages for Federal Income Tax, Social Security Tax, and Medicare Tax

Section 3509 provides special rates for the employee share of social security and Medicare taxes and income tax withholding when workers are reclassified as employees in certain circumstances. The applicable rate depends on whether you filed required information returns. An employer cannot recover any tax paid under this provision from the employees. The full employer share of social security and Medicare taxes is due for all reclassifications.

Note. Section 3509 rates are not available if you intentionally disregarded the requirements to withhold taxes from the employee, or if you withheld income tax but did not withhold social security and Medicare taxes. Section 3509 rates are also not available for certain statutory employees.

On lines 14–16 enter **only** corrections to wages resulting from reclassifying certain workers as employees when section 3509 rates are used to calculate the taxes.

If the employer issued the required information returns, use the section 3509 rates as follows.

- For social security taxes, use the employer rate of 6.2% plus 20% of the employee rate of 6.2% (4.2% for 2011), for a total rate of 7.44% (7.04% for 2011) of wages.
- For Medicare taxes, use the employer rate of 1.45% plus 20% of the employee rate of 1.45%, for a total rate of 1.74% of wages.
- For income tax withholding, the rate is 1.5% of wages.

If the employer did not issue the required information returns, use the section 3509 rates as follows.

- For social security taxes, use the employer rate of 6.2% plus 40% of the employee rate of 6.2% (4.2% for 2011), for a total rate of 8.68% (7.88% for 2011) of wages.
- For Medicare taxes, use the employer rate of 1.45% plus 40% of the employee rate of 1.45%, for a total rate of 2.03% of wages.
- For income tax withholding, the rate is 3.0% of wages.

Unlike other lines on Form 941-X, enter in column 1 only the corrected wages for workers being reclassified, **not** the amount paid to ALL employees. Enter previously reported wages to reclassified employees (if any) in column 2. To get the amount for column 4, use the applicable section 3509 rates. The tax correction in column 4 will be a positive number if you increased the amount of wages you previously reported. See the instructions for line 23 for more information.

TIP If you misreported the taxes from worker reclassification on line 7f or line 7g on a pre-2009 Form 941, you may correct the amount using lines 14–16 of Form 941-X. Be sure to complete all of the columns and provide a detailed explanation on line 24.

17. Subtotal

Combine the amounts from column 4 on lines 7–16.

Example: You entered “1,400.00” in column 4 on line 7, “-500.00” in column 4 on line 8, and “-100.00” in column 4 on line 10. Combine these amounts and enter “800.00” in column 4 on line 17.

Line 7	1,400.00
Line 8	-500.00
Line 10	-100.00
Line 17	800.00

18. Advance EIC Payments Made to Employees

CAUTION The option of receiving advance payroll payments of EIC is no longer available after December 31, 2010. Corrections to advance EIC can be made only for quarters ending before January 1, 2011.

If you are correcting the advance EIC payments made to your employees that you reported on line 9 of Form 941 (only for quarters ending before January 1, 2011), enter the total

corrected amount for ALL employees in column 1. In column 2, enter the amount you originally reported or as previously corrected. In column 3, enter the difference between columns 1 and 2. This line does not apply to Form 941-SS.

line 18 (column 1)
 - line 18 (column 2)
 line 18 (column 3)

If the amount in column 2 is larger than the amount in column 1, use a minus sign in column 3.

Copy the amount in column 3 to column 4. However, to properly show the correction as a credit or balance due item, enter a positive number in column 3 as a negative number in column 4 or a negative number in column 3 as a positive number in column 4. Remember, negative amounts in column 4 represent credits and positive amounts in column 4 represent additional tax.

Examples: If line 18, column 3 shows "560.00," enter "-560.00" in column 4.

If line 18, column 3 shows "-990.00," enter "990.00" in column 4.

Example—Advance EIC payments increased: You filed your 2010 fourth quarter Form 941 reporting zero (line left blank) on line 9. On February 17, 2011, you discovered that you forgot to report the \$1,000 in advance EIC payments you made on behalf of John Smith, one of your employees. You made no other EIC payments for your other employees. This is an example of an administrative error. To correct the error, file Form 941-X showing the following.

Column 1 (corrected amount)	1,000.00
Column 2 (from line 9 of Form 941)	- 0.00
Column 3 (difference)	1,000.00

Reverse the mathematical sign of the amount in column 3 and enter your correction in column 4.

Column 4 (tax correction)	-1,000.00
---------------------------	-----------

Be sure to explain the reasons for this correction on line 24.

See section 13 of Pub. 15 (Circular E) for more information about administrative errors and corrections during the calendar year. The same rules that apply to withheld federal income taxes also apply to advance EIC payments made to employees.

19a. COBRA Premium Assistance Payments

If you are correcting the total COBRA premium assistance payments reported on line 12a of Form 941, report on this line 65% of the COBRA premiums for assistance eligible individuals. Report the premium assistance credit on this line only after the assistance eligible individual's 35% share of the premium has been paid. For COBRA coverage provided under a self-insured plan, COBRA premium assistance is treated as having been made for each assistance eligible individual who pays 35% of the COBRA premium.

Do not include the assistance eligible individual's 35% of the premium in the amount entered on this line. For more information on the COBRA premium subsidy, visit IRS.gov and enter the keyword *COBRA*.

Copy the amount in column 3 to column 4. However, to properly show the correction as a credit or balance due item, enter a positive number in column 3 as a negative number in column 4 or a negative number in column 3 as a positive number in column 4. This is the same procedure as the advance EIC on line 18.

19b. Number of Individuals Provided COBRA Premium Assistance on line 19a

Complete this line only if you are correcting line 12b of Form 941. Enter in column 1 on line 19b the corrected number of assistance eligible individuals provided COBRA premium assistance. Count each assistance eligible individual who paid a reduced COBRA premium in the quarter as one individual,

whether or not the reduced premium was for insurance that covered more than one assistance eligible individual. For example, if the reduced COBRA premium was for coverage for a former employee, spouse, and two children, you would include one individual in the number entered on line 19b for the premium assistance reported on line 19a. Further, each individual is reported only once per quarter. For example, an assistance eligible individual who made monthly premium payments during the quarter would only be reported as one individual on line 19b for that quarter.

Enter in column 2 on line 19b the number of assistance eligible individuals provided COBRA premium assistance originally reported on line 12b of Form 941.

Lines 19c and 19d apply only to the second quarter of 2010. These lines are used to report the number of qualified employees, amount of exempt wages/tips, and amount of employer social security tax exemption as if the exemption were allowed for the first quarter of 2010.

19c. Number of Qualified Employees Paid Exempt Wages/Tips March 19–31

Complete this line when correcting Form 941 for the second quarter of 2010 only. Enter on line 19c (column 1) the corrected number of qualified employees paid exempt wages/tips from March 19, 2010, through March 31, 2010. Include only qualified employees for whom you are claiming the exemption. Enter on line 19c (column 2) the number of qualified employees originally reported on line 12c of the second quarter 2010 Form 941. If you are not correcting line 12c of the second quarter 2010 Form 941 but you are making a correction on line 19d, enter the amount from line 12c of the second quarter 2010 Form 941 on line 19c. For the definition of qualified employee, see the instructions for line 12a.

19d. Exempt Wages/Tips Paid to Qualified Employees March 19-31

Complete this line when correcting Form 941 for the second quarter of 2010 only. Enter on line 19d the amount of exempt wages/tips paid to qualified employees from March 19, 2010, through March 31, 2010. For the definition of exempt wages/tips, see the instructions for line 12a. Enter the corrected amount in column 1. In column 2, enter the amount you originally reported or as previously corrected. In column 3, enter the difference between columns 1 and 2. If the amount in column 2 is larger than the amount in column 1, use a minus sign in column 3. Multiply the amount in column 3 by .062 and enter the result in column 4. However, to properly show the correction as a credit or balance due item, enter a positive number in column 3 as a negative number in column 4 or a negative number in column 3 as a positive number in column 4.

20–21. Total

Combine lines 17–19d of column 4 and enter the result on line 20. Copy the amount from line 20 on page 2 to line 21 on page 3.

Your credit. If the amount entered on line 21 is less than zero, for example, "-115.00," you have a credit because you overreported your federal employment taxes.

- If you checked the box on line 1, include this amount on line 11 ("Total deposits" line) of Form 941 for the quarter during which you filed Form 941-X or line 8 ("Total deposits" line) of Form 944 for the year during which you filed Form 941-X. Do not make any changes to your record of federal tax liability reported on line 17 of Form 941 or Schedule B (Form 941), if your Form 941-X is filed timely. The amounts reported on the record should reflect your actual tax liability for the period.

- If you checked the box on line 2, you are filing a claim for refund or abatement of the amount shown.

If your credit is less than \$1, we will send a refund or apply it only if you ask us in writing to do so.

Amount you owe. If the amount on line 21 is a positive number, you must pay the amount you owe by the time you file Form 941-X. You may not use any credit that you show on

another Form 941-X to pay the amount you owe, even if you filed for the amount you owe and the credit at the same time.

If you owe tax and are filing a timely Form 941-X, do not file an amended Schedule B (Form 941) unless you were assessed an FTD penalty caused by an incorrect, incomplete, or missing Schedule B (Form 941). Do not include the tax increase reported on Form 941-X on any amended Schedule B (Form 941) you file.

If you owe tax and are filing a late Form 941-X, that is, after the due date for Form 941 for the quarter in which you discovered the error, you must file an amended Schedule B (Form 941) with the Form 941-X. Otherwise, the IRS may assess an "averaged" FTD penalty.

Payment methods. You may pay the amount you owe on line 21 electronically using the Electronic Federal Tax Payment System (EFTPS), by credit or debit card, or by a check or money order.

- The preferred method of payment is EFTPS. For more information, visit www.eftps.gov, call EFTPS Customer Service at 1-800-555-4477 toll free, or see Pub. 966, The Secure Way to Pay Your Federal Taxes.
- To pay by credit or debit card, visit the IRS website at www.irs.gov/e-pay.
- If you pay by check or money order, make it payable to "United States Treasury." On your check or money order, be sure to write your EIN, "Form 941-X," and the quarter and year corrected.

You do not have to pay if the amount you owe is less than \$1.

Previously assessed FTD penalty. If line 21 reflects overreported tax and the IRS previously assessed a failure-to-deposit (FTD) penalty, you may be able to reduce the penalty. For more information, see the Instructions for Schedule B (Form 941).

Part 4: Explain Your Corrections for This Quarter

22. Correction of Both Underreported and Overreported Amounts

Check the box on line 22 if any corrections you entered in column 3 on lines 6–19d reflect both underreported and overreported amounts.

Example: If you had an increase to social security wages of \$15,000 for employee A and a decrease to social security wages of \$5,000 for employee B, you would enter \$10,000 on line 8, column 3. That \$10,000 represents the net change from corrections.

On line 24, you must explain the reason for both the \$15,000 increase and the \$5,000 decrease.

23. Did You Reclassify Any Workers?

Check the box on line 23 if you reclassified any workers to be independent contractors or nonemployees. Also check this box if the IRS (or you) determined that workers you treated as independent contractors or nonemployees should be classified as employees. On line 24, give us a detailed reason why any worker was reclassified and, if you used section 3509 rates on lines 14–16, for any worker reclassified as an employee, explain why section 3509 rates apply and what rates you used.

Return not filed because you did not treat any workers as employees. If you did not previously file Form 941 because you mistakenly treated all workers as independent contractors or as nonemployees, file a Form 941 for each delinquent quarter.

On each Form 941 for which you are entitled to use section 3509 rates:

- Write "Misclassified Employees" in dark, bold letters across the top margin of page 1,
- Enter a zero on line 10,

- Complete the signature area, and
- Attach a completed Form 941-X (see instructions below).

On each Form 941-X:

- Complete the top of Form 941-X, including the date you discovered the error,
- Enter the wage amounts in column 1 of lines 14–16,
- Enter zeros in column 2 of lines 14–16,
- Complete columns 3 and 4 as instructed in Part 3,
- Provide a detailed statement on line 24, and
- Complete the signature area.

If you cannot use section 3509 rates (for example, because the workers you treated as nonemployees were certain statutory employees), file a Form 941 for each delinquent quarter. Write "Misclassified Employees" in dark, bold letters across the top margin of page 1 of each Form 941. Complete Form 941 using the Instructions for Form 941. Attach a Form 941-X to each Form 941. Complete the top of Form 941-X, including the date you discovered the error, and provide a detailed explanation on line 24.

24. Explain Your Corrections

Treasury regulations require you to explain in detail the grounds and facts relied upon to support each correction. On line 24, describe in detail each correction you entered in column 3 on lines 6–19d. If you need more space, attach additional sheets, but be sure to write your name, EIN, quarter, and calendar year on the top of each sheet.

You must describe the events that caused the underreported or overreported amounts. Explanations such as "social security and Medicare wages were overstated" or "administrative/payroll errors were discovered" are insufficient and may delay processing your Form 941-X because the IRS may need to ask for a more complete explanation.

Provide the following information in your explanation for each correction.

- Form 941-X line number(s) affected.
- Date you discovered the error.
- Difference (amount of the error).
- Cause of the error.

You may report the information in paragraph form. The following paragraph is an example.

"The \$1,000 difference shown in column 3 on lines 6, 8, and 10 was discovered on May 16, 2011, during an internal payroll audit. We discovered that we included \$1,000 of wages for one of our employees twice. This correction removes the reported wages that were never paid."

For corrections shown in column 3 on lines 14–16, explain why the correction was necessary and attach any notice you received from the IRS.

Part 5. Sign Here

You must complete all three pages of Form 941-X and sign it on page 3. If you do not sign, processing of Form 941-X will be delayed.

Who must sign the Form 941-X? Form 941-X must be signed by one of the following:

- **Sole proprietorship**—The individual who owns the business.
- **Corporation (including a limited liability company (LLC) treated as a corporation)**—The president, vice president, or other principal officer duly authorized to sign.
- **Partnership (including an LLC treated as a partnership) or unincorporated organization**—A responsible and duly authorized member or officer having knowledge of its affairs.
- **Single member LLC treated as a disregarded entity for federal income tax purposes**—The owner of the LLC or a principal officer duly authorized to sign.
- **Trust or estate**—The fiduciary.

Form 941-X may also be signed by a duly authorized agent of the taxpayer if a valid power of attorney has been filed.

Alternative signature method. Corporate officers or duly authorized agents may sign Form 941-X by rubber stamp, mechanical device, or computer software program. For details and required documentation, see Rev. Proc. 2005-39. You can find Rev. Proc. 2005-39, 2005-28 I.R.B. 82, at www.irs.gov/irb/2005-28_IRB/ar16.html.

Paid Preparer Use Only

A paid preparer must sign Form 941-X and provide the information in the *Paid Preparer Use Only* section of Part 5 if the preparer was paid to prepare Form 941-X and is not an employee of the filing entity. Paid preparers must sign paper returns with a manual signature. The preparer must give you a copy of the return in addition to the copy to be filed with the IRS.

If you are a paid preparer, enter your Preparer Tax Identification Number (PTIN) in the space provided. Include your complete address. If you work for a firm, enter the firm's name and the EIN of the firm. You can apply for a PTIN online or by filing Form W-12, IRS Paid Preparer Tax Identification Number (PTIN) Application. For more information about applying for a PTIN online, visit the IRS website at www.irs.gov/ptin. You cannot use your PTIN in place of the EIN of the tax preparation firm.

Generally, you are not required to complete this section if you are filing the return as a reporting agent and have a valid Form 8655, Reporting Agent Authorization, on file with the IRS. However, a reporting agent must complete this section if the reporting agent offered legal advice, for example, advising the client on determining whether its workers are employees or independent contractors for federal tax purposes.
